Funky Finger and Craft Ideas

In school we will be doing lots of activities that will support the learning and rehearsing of the Nativity story, helping the children understand the main parts of the story.

We will be:

- Making puppets to help us retell the story
- Turning role play into a stable and making props e.g. manger and the star
- Making stars in a number of ways that help to develop fine motor skills
- Making nativity scenes
- Making salt dough stars and nativity figures
- Looking at gifts that we would give to special people
- Painting and collaging stables to make nativity scenes
