Due to weather getting colder and rainier, please make sure that children bring a waterproof coat to wear outside at lunch times and breaktimes. Thank you!

### Homework:

#### 1. Maths

Common factors sheet that has been sent home with the children.

#### 2. Writing task

Silk and jade objects have been produced in China for thousands of years, since pre-historic times.

Your task – use the internet to research jade and silk. Think about the properties of both materials, how they are made, why these materials were considered so valuable and why they became a symbol of status. Any other facts / interesting pieces of information that you find can also be included!

You can present your work how you like, as long as it is on paper (not PowerPoint). You may want to do a leaflet or a poster.

#### 3. Spellings

Revise spellings that are written down in diaries. These will be tested on Friday 21<sup>st</sup> October.
