

St. Peter's Academy – Newsletter Sycamore Class and Beech Class

Staff:

Mrs Gilbey – Beech Class Teacher
Miss Walton – Sycamore Class Teacher

Mrs Atkinson
Mrs Smith

Date: Friday 6th September 2024

Welcome back!

It has been lovely to welcome back your children to their new classes this week. We have been getting to know the children, completing some lovely work for our classroom displays and lots more fun activities. It has been wonderful to find out some of the fun things that you have all been up to over the summer also! They have settled well into their new class routines and we are on our way to having a wonderful year.

We are looking forward to meeting you on Wednesday afternoon next week for our Meet and Greet. We will be doing this talk together, with Miss Walton touching base slightly with SATS and the Whitby residential towards the end of the meeting. We will both also be available in classrooms prior to the meeting, and for 5-10 minutes after. The meeting will begin at 4:40pm in Miss Walton's classroom.

Class pages are also now up and running. These will be updated regularly, with more curriculum information coming soon. Newsletters will appear here weekly (not printed every week). Children will be shown the newsletters in class also.

Beech Class homework:

- Reading – children should aim to read at least 5 times a week and this can be recorded in the reading section of their new school diary.
- Spellings – Your child will have a list of spellings in their diary to learn ready for either a test or dictation piece next Friday.

Sycamore Class homework:

- Spellings – Your child will have 10 spellings in their work diaries that they need to revise ready to be tested next Friday. We go through these words as a class as part of handwriting on a Monday, and spellings on a Tuesday and Wednesday.
- Reading – Children should aim to read at least 5 times a week and this can be recorded in the reading section of their new school diary. Please sign this off if you can, as children will receive a take care token for their reads.
- Times tables challenge – See how quickly you can complete the times tables challenge. Don't want to time yourself? No worries. Work at your own speed if you wish. Please note – the sheet does say 'Year 5' as this is a recap activity!

Key dates coming up:

Please refer to the weekly at a glance and headteacher newsletters for these, as linked below.
