I think we should get the vote for the most Christmassy class! We have a resident elf who we have named Buddy who likes to cause a little bit of mischief.

Christmas cards!!

Christmas cards can be brought in everyday throughout December. The Christmas Postbox will be outside on the playground every morning. The house captains will then organise these to be handed out to classes. **Please try to put the correct name and class on the envelope for easy sorting!**

There will be no homework for the rest of this term. The next homework will be set Friday 7th January. The children do not need to practice their spellings to be tested in the first week back, but they can do some additional practice of these and times tables if they wish to do so.

I am taking in the children's homework books over Christmas to mark any outstanding pieces of work. I would like to thank you all for supporting your children in completing their homework, the standard that I have seen this term is brilliant!

Our next topic for Spring 1 is going to be 'Blood Heart'. This is a science-based topic; further information can be found on the class page.
