Task/ Expectation:

We hope that you all enjoyed the bank holiday weekend. We have had another busy week in year 3, the highlight being our Egyptian museum on Wednesday. This was a huge success with children visiting from the different classes throughout the school. Our children spoke really confidently about their artefacts and answered questions that were asked of them. All staff commented on the high standard of our homework. Mr Tomlinson even told us that he would have willingly paid to visit our museum!

Today was very exciting – STAR WARS!! There was a fantastic array of costumes, t-shirts and light sabers on show throughout the school. Thank you for your support with this.

Homework this week focuses on our Science topic, 'Light and Shadows' which Mr Walsh has been teaching this half term. We would like the children to complete the attached sheet to consolidate their learning.

Outdoor PE continues to take place on Monday afternoon and we have started indoor PE on Friday morning with Gordon Fearne. This is a fitness based session. Appropriate kit is needed for both sessions please. Times tables will be tested on Wednesday as usual.

May we remind you that our Dukes Barn meeting will take place in the year 3 classroom next Wednesday 10th May 2017 at 3.40pm. If you are unable to attend, all of the relevant information will be sent with your child the following day and will be available to look at on our class page on the school website.

Thank you.
