### Task/ Expectation:

Wow! We have been so impressed by the Ancient Egyptian artefacts which have been brought into our class. They are fantastic and we are looking forward to sharing them with each other and the rest of the school. Thank you for your help with this homework- we really appreciate the support that you have given your child.

**Homework this week focuses on Maths. We have been working on multiplication, using the formal method to multiply 2 digit numbers by 1 digit numbers. For homework we would like the children to complete question 1 on the attached sheet. Children can have a go at question 2 if they feel able.**

Times tables will be tested on Wednesday as normal. Outdoor P.E. continues to take place on Monday afternoon.

May we remind you that our meeting about our residential visit to Dukes Barn will take place on **Wednesday, May 10<sup>th</sup> at 3.40pm in the Year 3 classroom**? As we stated previously, if you are unable to make the meeting, we will send the information with your child on the following day and it will also be available via the class 3 page on the school website.

Thank you.

Homework to be returned by: **Friday, May 5th 2017**
