Task/Expectation:

What a fantastic start to the week! After having our class photograph taken on Monday, we enjoyed a lovely day at the Nottingham Tennis Centre and it didn't rain for once!

The children took part in lots of different tennis activities that were impressively led by sports students from a local college in Nottingham. We also spotted Johanna Konta who was warming up on a nearby court in preparation for her match the following day. During the afternoon, there was enough time to watch part of a match on Court 1 which was very enjoyable. We had lots of lovely comments about the children's good manners and excellent behaviour which did not go unnoticed.

The children are now getting very excited about our forthcoming trip to Dukes Barn next week. We hope last week's homework task of putting on a duvet cover, pillow case and sheet hasn't been too stressful!

For homework this week, we would like the children to continue with their bed making skills, and additionally to use the kit list (still on the class 3 page of the school website) to help pack their bag or suitcase for our residential. At the moment, the long term weather forecast looks promising but it is best to pack for all eventualities.

Optional homework is to continue work on any entries for East Bridgford Village Show on Saturday 24th June.

May we remind you that any medication for Dukes Barn needs to be clearly labelled with your child's name and handed in to either Mrs Cains or Mrs Gilbey on the morning of Wednesday 21st June.

Happy packing!
