

Use you Loaf!

Find someone who eats bread and ask them (politely) if you can interview them. We need to find out the bread eating habits of East Bridgford in order to create SUPER LOAF so you need to ask at least 5 people please!

What type of bread do you like best?	How often do you eat bread each day?	How much bread do you eat a week?	How do you eat your bread? (i.e. as sandwiches, toast etc)?	What else do you use bread for?	Name all the types of bread you can think of?
