Task/ Expectation:

Thank you for the super bread posters and the completed London Log Books. I hope everyone noticed the deliberate incorrect spelling of one of the tube stations! This week in class Mrs Ridgway has been working on data handling, graphs and bar charts in maths and looking at different styles of poetry in literacy. To consolidate our maths work we would like the children to complete **ONE** (out of bronze, silver and gold) of each sheet. The children will know which level they think is appropriate for them; In the past pupils have always liked to challenge themselves! In summary, we would like them to complete two tasks, one from each sheet. If you have any queries regarding this homework, please do not hesitate to come and see us on Monday (or as soon as possible. The homework is, as usual, on the school class page on the website, complete with graph paper.

We have enclosed 3 times tables grids; please do not spend more than 10 minutes on each one. We have lots more sheets in class if anyone wants extra, just ask. Don't forget to record your results and write down the tables you found difficult. Children who usually complete the grids in less than 5 minutes should do the Tables Challenge sheet (the record for this is 2 minutes 42 seconds).

Please don't forget to keep all your homework in the blue folders provided. We have gone over the task in class so the children are fully aware of what they need to do. Don't forget to put your names on your work.

Thank you for your support.

Have a good weekend
