Task/ Expectation:

This week we have been filming our INVASION movie which we look forward to showcasing soon. The adverse weather actually added to the drama and I am sure you will be very proud of the children. We have continued to grapple with nets, properties of 2d and 3d shapes and shape volume in maths and lots of challenges in all subjects.

For homework we would like the children to find out five facts about **ONE** of the following astronauts. Please use attached sheets to write down your research.

1. Neil Armstrong
2. Buzz Aldrin
3. Sally Rice
4. Helen Sharman
5. Yuri Gagarin
6. John Glenn
7. Tim Peake
8. Valentina Tereshkova

We have enclosed 3 times tables grids; please do not spend more than 10 minutes on each one. We have lots more sheets in class if anyone wants extra, just ask. Don't forget to record your results and write down the tables you found difficult.

Please don't forget to keep all your homework and Cat-Topic in the blue folders provided. PLEASE REMEMBER TO BRING IN YOUR CAT TOPIC HOMEWORK ON FRIDAY MORNINGS. IF YOU HAVE ANY PROBLEM WITH PRINTING OUT YOUR WORK, PLEASE LET US KNOW ASAP. We have gone over the task in class so the children are fully aware of what they need to do.

Thank you for your support.

Have a good weekend
