Task/ Expectation:

I hope you all enjoyed the bread that Suda, (Nadav's mum) helped us make on Tuesday. I think the resultant loaves were the best any Year 5 have ever made. In the coming weeks we will be creating a perfect loaf for a person of our choice and using breadmakers to evaluate bread made in a machine. If anyone has a breadmaker we would really love to borrow it please.

This week in Literacy we have been looking at character descriptions and the use of figurative language. We have also learnt (or tried to) count to 10 in Mandarin and have worked on an interpretation of the Willow Pattern Story. In maths we have continued to work on fractions – finding the lowest common denominator, ordering and finding equivalent fractions. Lacrosse was fun but VERY muddy. We have also been unblest with nits in our class so please check your child's head carefully each night and help rid us of these unwelcome visitors.

For homework we would like the children to ask members of their family or adults sanctioned by parents about their bread eating habits. We will use the results in data handling in maths so please, as always, take care with your work and don't forget to get it out of your bag. Children should ask at least 5 adults and record their findings on the sheet attached.

We have LOTS of clothes that are unnamed in Year 5. They can only belong to children in our class but no one is claiming them – these include brand new St Peter's Academy v necked sweatshirt cardigans, coats, trousers, school shorts, umpteen socks and a skirt. Please could you write the name in your clothes and bringing it to school in a drawstring or sipped bag – carrier bags rip and stuff falls out and gets lost.

We have enclosed 3 times tables grids; please do not spend more than 10 minutes on each one. We have lots more sheets in class if anyone wants extra, just ask or help yourself to the grids in the tray next to the door labelled times tables grids. Don't forget to record your results and write down the tables you found difficult.

Cat Topic handing in is deadline is Friday 27th January.

Thank you for your support.

Have a good weekend
