Creating a Cross Number

Create a Cross Number using:
- All four operations (+, -, X, ÷)
- Time facts
- Calendar Facts
- Percentages
- Money
- Fractions
- Mass - weight
- Capacity - volume
- Length – measure
- Word problems
- Area
- Perimeter
- Missing number riddles

Be as inventive as you can! Ask me for help if you get stuck on the numbering. I would like to use these in class as a morning starter challenge so earn some House Points now.
