Date: Friday 11th November 2022

e-Newsletter #6

Hello and happy Friday! This week your child has taken home a parents evening letter and a leaflet which lets you know how to access their Christmas card design, online. Parents evenings are now back to the pre-Covid logistics of a face-to-face meeting and to look at your child's work, however if this proves difficult feel free to email the office who can arrange let us know to organize a remote Teams call.

Homework:

Maths – Short Division – Divide, using the formal method where appropriate (bus stop), interpreting remainders

English – Comprehension – The Submerged City. This will be similar to a reading comprehension, but children will practice their inference skills by studying a picture, titled 'The Submerged City'.

Spellings – personalised spellings in your diaries. **Please remember your diaries on Fridays!**

Homework is due each Friday, where we provide feedback to the children in small groups and discuss misconceptions and share methods together.

Miss Brownley & Miss Walton ☺
