Hot Seat Talks

You have all been allocated a Hot Seat topic for your talk. Now it is down to you to make it as fabulous as possible!

You can do a PowerPoint, talk, mini lesson – someone even did a poem once, but it should last about 10 minutes.

Essentials (must include)

- Lots of hard facts
- Be in your own words
- Teach us all something we didn't know before
- Be interesting

You could include quizzes (no sweets, chocolate prizes or food prizes), songs, dances, role plays, props, fancy dress – anything to make it spectacular (and legal in school!). Be confident, practise lots, have fun and enjoy being the teacher!
