

31/1/2022

Dear Parents/Carers,

Covid update

Firstly, we would like to wish everyone isolating at home a speedy recovery. Thank you for your cooperation and understanding during this term.

Currently, the number isolating at home is below 10 cases, with 0 new Covid cases reported to us since Friday.

In school, class attendance is steady at high 90%+ or 100% in each class, which is very good news. We must not however become complacent and continue with the Covid measures in place in and around school.

Both Notts Public Health Team and school Governors have been supportive of St Peter's throughout commending our Covid measures in place. **Notts Public Health Team have advised we keep measures in place, recommending regular testing at home especially with siblings in different classes**, which we will continue to do and communicate with you.

Thank you to parents/carers for following guidance and to those going beyond to be the safest we can be for both children and staff in school.

Regards and take care,

Mr Tomlinson
Head Teacher
