

9/2/2022

Dear Parents/Carers,

Covid update

Thank you for your cooperation and understanding during this term.

I am pleased to inform you that as of this week we have 0 reported Positive Covid cases and as of today 0 children or adults isolating due to Covid, which is very good news indeed.

We must not however become complacent and continue with the reasonable Covid measures in place in and around school.

Both Notts Public Health Team and school Governors have been supportive of St Peter's throughout commending our Covid measures in place. Our communication with Notts Public Health Team have advised we keep our reasonable measures in place, recommending regular testing at home.

Thank you to parents/carers for following guidance and to those going beyond to be the safest we can be for both children and staff in school.

Regards and take care

Mr Tomlinson
Head Teacher
