

3/12/2021

Dear Parents/Carers,

### **Covid update**

Firstly, we would like to wish everyone isolating at home a speedy recovery. Thank you for your cooperation and understanding during this term.

This week, we have seen a steady decline in the numbers of children isolating which is encouraging news. We must not however become complacent and continue with the reasonable measures in place, as we are still receiving confirmed Covid positive PCR results each day. In total, so far since mid-November we have recorded over 80 Covid positive PCR cases.

Notts Public Health Team and Governors have been supportive of St Peter's throughout this local outbreak commending our proactive measures. Thank you to parents for following guidance and to those going beyond to be the safest we can be for both children and staff in school.

### **KS2 Christmas Carols**

On **Thursday 16th December** we were planning to have our Junior Christmas Carols in church, however with the Covid situation we feel it would be wise to hold this event outdoors.

We have received permission to use the front of the Sports Pavilion as a 'stage' for our choir and the paved area for our KS2 children.

The plan (weather dependent!) is to hold a 10am performance and a 6pm performance with parents standing on the field to watch. Each performance will be approximately 30 minutes. For the 6pm performance, we have access to outside lighting rigs.

Children and families from Early Years and KS1 are also very welcome to join us to watch the 6pm performance. We look forward to finishing this term on a high festive note!

Further information and a reply form for the performances will be sent out shortly.

Take Care,  
Mr. Tomlinson
