

New Procedures for coming into school from June 1st

Many things in school have changed in preparation for some of the children returning to school. Please spend some time with your child/ren talking through the changes and ensuring they understand what they need to do when they return to school on Monday.

There is now a one-way system around the school. Enter the gate with your child and say goodbye. Follow the yellow dots painted on the floor and exit through the top gate.

When you enter the gate there will be cones for you and your child to follow. Adults will follow the yellow dots and children will go to the hand sanitiser table and use the gel provided.

Try to pump the pot with your elbow, but don't worry if this is too difficult to begin with.

Preschool children will enter through their normal door. Mrs Cruse will be around to help.

Reception children will enter through the door we would normally exit from. Mrs Gibbens and Mrs Verner will be around to help.

Preschool children will sit on the carpet area and register as normal.

Reception children will enter the classroom, find their name and sit at the table.

Coats will go on the back of chairs and any bag will go under the table.

Preschool

Reception

Reception children will currently be able to use this side of the old building for play activities. Preschool children will play the other side.

What does your child need to bring with them?

They will need to bring a set of coloured pencils with them in a pencil case. We will provide everything else. This pencil case will then stay in school until the summer holidays.

Do they need to bring anything else?

As we may be working outside for longer periods of time, each child will need to bring:

- a named sunhat each day
- a filled water bottle
- a named small bottle of hand sanitiser if they wish (this is optional as we will be washing hands very regularly).

New Procedures for collecting your child from school from June 1st

- Enter through the main gate marked with an Enter sign
- Your child will be waiting for you in the playground.
- Keep following the yellow dots and your child will join you from their position on the playground. Please stay on the pathway and let your child join you.
- Exit through the gate at the top of the path.
- If you have two children attending school, they will be on the playground for collection with their sibling. You will need to collect both children at the time allocated for your younger child e.g. if you have a preschool and year 1 child, please collect at the time allocated for the preschool collection.
- Unfortunately, staff present will not be able to have individual conversations with parents at this time. If you wish to speak to a staff member, please contact them through the school office or the new class emails.

Many thanks
