MORE INFO

n

Residential school trips and educational school visits

Primary and Secondary schools as well as Colleges and Special Groups choose Walesby Forest year on year for our excellent residential adventure activity programmes.

Set in the heart of Sherwood Forest, combines environmental and key skill learning alongside challenging and rewarding adventure activity programmes.

Our programmes include Bushcraft, CSI and Activity programmes for all ages. All activities encourage Lifeskills and Personal Development and always include elements of Communication, Teamworking, Decision Making and Self Awareness..

Teachers can opt for one of our packages which include accommodation, activities and catering or design your own programme and choose all the options you want.

Useful Information

Safety and security are key features and our activities are run in accordance with nationally recognised procedures and governing body recommendations.

Great new residential lodges and tented camps (with bunk beds) now available
