

St. Peter's Academy East Bridgford – Newsletter.

Teacher: Mrs Cains / Mrs Gilbey	Subject: Science	Date: 6/10/17
--	-------------------------	----------------------

Firstly, thank you for supporting your child with learning the words to our Harvest song 'Conkers'. We are very impressed with the effort the children have put in so far. We hope many of you will be able to attend the Harvest service in church on the morning of Tuesday 17th October at 10am.

This has once again been another busy and exciting week with a talk on road and fire safety on Monday, followed by the visit of a very large, noisy fire engine on the school playground. We also enjoyed a planned visit from Father Oliver who answered some fantastic and very thoughtful questions from the children as part of our work this term in R.E.

We are really looking forward to the 'Jesse Tree Day' next Wednesday (11th Oct) Amongst other exciting activities, the class will be preparing a short song related to the story of Joseph and his coloured coat. We would like as many children as possible to remember to bring a brightly coloured or patterned t-shirt to school on the day, to wear over their school uniform.

In Science, we have been discovering facts about living things and their habitats. For homework this week, we would like the children to complete the attached sheet to reinforce their learning.

Finally, your child brought home their Christmas design on Wednesday for you to enjoy! If you would like to order any items, please fill in and return the relevant form to school no later than Wednesday 11th October. Thank you.

We look forward to seeing you at our forthcoming parent meetings on October 11th and 12th!

Please return homework school by: Friday 13th October.
