**Thank you so much for supporting your child with their Science homework this week and also for remembering to send a bright colourful t-shirt into school for our Jesse Tree day. The day itself was very enjoyable, the children learnt about all sorts of Bible stories through drama and songs. Our class dance based on the story of Joseph and his colourful coat proved to be very successful!**

**It has been lovely to meet up with you over the last two evenings at our parent's meetings. We are very pleased with the way your children have settled into Year 3. This has also been a great opportunity for you to look around the new classroom and see how much space we are lucky enough to have!**

**We have been working on instruction writing in Literacy for a number of weeks now and all of the children should be able to talk about the specific features including imperative verbs. In order to consolidate their learning, we would like the children to complete the attached sheet for homework this week. The task at the foot of the sheet is optional, but as we will not be setting any homework over half term, you may wish to encourage your child to complete the extra activity. This homework does not need to be returned to school until after half term.**

**We would like to take this opportunity to thank you for your continued support and kind comments and to wish you all a relaxing half term break.**

**We look forward to seeing many of you in church next Tuesday at 10.00am for our Harvest service.**

**Please return homework school by: Friday 3<sup>rd</sup> November.**
