### Task/Expectation:

Just a short note to remind you that the homework task set last week is not due until Friday 8<sup>th</sup> February, therefore we will not be setting any further homework this week.

The ongoing task is for your child to design a front cover for their play script. The title '**Robin Hood and the Birthday Cake**' will need to be clearly shown on the front along with their own name as the author. The cover needs to be A4 in size and can be illustrated using paint, felt pens, crayons or collage. Each cover will be laminated at school so no bumpy 3D bits!

We look forward to seeing the finished covers!

Next week will be our mid-year assessment week, therefore there will be **no times table or spelling tests on Wednesday**. These will resume the following Wednesday 13<sup>th</sup> February.

Outdoor P.E. continues to take place on Wednesdays (weather permitting) We would be grateful if all children could have the correct, warm kit in school and a plastic bag to carry muddy footwear to and from the field.

Thank you!

**Please return homework by: Friday 8<sup>th</sup> February**
