

East Bridgford St Peter's C of E Academy – Homework

**Teacher: Mrs Cains/Mrs
Gilbey/Miss Bryan**

Subject: Maths

Date: 30/11/18

Task/ Expectation:

The children are continuing to work hard and are now beginning to get very excited about all of the forthcoming events in the build up to Christmas. We had a last practice today before the Winter Bazaar and we are sure that the children will perform brilliantly on stage later.

We have been very impressed so far with the two groups who have recited their chosen poem to the rest of the class – lots of expression and confidence. We are looking forward to the remaining groups over the coming weeks.

For homework this week, we would like the children to complete the attached maths sheet to reinforce work completed in school over the last weeks. **This will be the final homework task of this term.**

Times table and spelling tests will take place next Wednesday morning for the final time this term. Both tests will resume on Wednesday 16th January 2019 (the second week back of the new term)

It would be very useful if your child could continue to read (fiction, non-fiction, poetry, comics etc.) and practice times tables/spellings over the next weeks and during the Christmas break to keep things ticking over.

Children can change their library book on **any day** during registration.

Indoor P.E. remains on Friday mornings with Gordon Fearn until further notice.

Finally, we would like to thank Miss Bryan for all of her hard work over the last weeks. The children have enjoyed being taught by Miss Bryan and we hope she has gained valuable experience during her placement with us. Although Miss Bryan's final day is Friday 7th December, she will be returning to our class for day visits over the next two terms to complete her training. We are sure she will become a fantastic teacher in September and wish her well.

Monday December 10th - Pantomime in Newark

Thursday December 13th – School Christmas concert –morning and evening performances.

Many thanks!

To be returned by 7/12/18
