

St. Peter's Academy East Bridgford – Homework

Teacher: Mrs Cains / Mrs Gilbey

Subject: Numeracy

Date: 11/1/19

Task/Expectation:

Happy New Year!

The children have returned to school full of enthusiasm and news from their Christmas holidays. We have been very interested to hear and read about their adventures over the break.

We have a busy Spring term coming up with lots of exciting activities to look forward to. We enjoyed a lovely, long walk down to the River Trent on Wednesday. The children were able to sketch various sections of the river and create lists of vocabulary to describe what they could see and hear. We will be using this experience to enhance our work on rivers in Geography this term. Photographs can be viewed on our class page of the school website.

For homework this week we would like the children to prepare for the first spelling and times table tests of 2019 next Wednesday. We will also be re-visiting 'time' as part of our work in Maths, focussing on the 12 and 24 hour clock including Roman numerals, timetables and calendars. In preparation for this, we would like the children to complete the sheet overleaf as a revision activity.

Indoor P.E. will no longer take place on Friday mornings as we change to our outdoor sessions of lacrosse with Mike on Wednesday afternoons (he also leads the Wednesday lunchtime sessions) A warm outdoor kit is essential during winter months along with trainers. The field is very muddy at the moment so please ensure your child has the appropriate kit and a plastic bag for their muddy footwear and clothing. Our first session will begin next Wednesday 16th January.

We are still hunting for Joshua Parker's blue, named football boots from last term. We have searched everywhere in school and wondered if you would mind checking at home to see if they have accidentally made their way into the wrong bag.

Thank you for your continued support.

Please return homework by: Friday 18th January 2019
