Task/Expectation:

Thank you for supporting your child with the recent homework task to begin our new geography topic on mountains – we have certainly learning lots of new information this year!

We enjoyed a tennis coaching session on Wednesday morning over on the tennis courts. The children loved the activities and there was some impressive skill on show. Quite a few children seem keen to join the lunchtime coaching sessions that are available through school. We also have a visit to the Nottingham tennis centre planned for next half term where the children will be able to take part in lots of fun activities. All of this links in very nicely with the recent work we have completed about the history of tennis.

We cannot believe that half term is already here, the children have continued to work hard and are beginning to get excited about our forthcoming visit to Dukes Barn. Thank you for returning the consent and medical forms – we have almost everybody's in school now. Please let us know if you have mislaid your forms from the information pack – we can send replacements home with your child.

We spoke to all Year 3 children about the residential this week so that they know what to expect. We also looked at some photographs of the different activities.

Just to remind you once again that times tables tests now take place on Thursdays with new sheets returned the following day. Spelling tests will now take place every Monday, with new lists handed out on Tuesdays. These changes are now in place until the end of the school year.

The children were delighted to learn that we will not be setting any homework over the half term break but we would suggest that they keep their reading, spellings and times tables ticking over.

Outdoor lacrosse sessions will continue as normal on Wednesday afternoons after half term so children will require the appropriate kit, footwear and a drink bottle for this.

Thank you!
