

St. Peter's Academy East Bridgford – Newsletter.

Teacher: Mrs Cains / Mrs Gilbey	Subject: Maths	Date: 9/02/18
--	-----------------------	----------------------

Thank you for supporting your child with their 'Robin Hood and the Birthday Cake' play script covers. We have been very impressed with the variety of ideas and the thought and care that has clearly been put into these. We have now laminated these and the children have enjoyed looking at each other's. In school, we are now writing our own scenes of the story.

We were delighted to welcome Gareth Baker (our patron of reading) back to our class on Wednesday morning. The children thoroughly enjoyed their creative writing session with Gareth, developing a Greek myth of their own. He was extremely impressed with both the children's ideas and their behaviour.

We are pleased that so many children are now remembering to bring warmer clothing for our two weekly outdoor P.E. sessions. It has been very cold up on the field recently and gloves are proving to be the way forward!

For homework this week, we would like the children to complete the attached sheet. We have talked about the different units of time in class. As we will not be setting any further homework over half term, we would like the children to learn their responses in preparation for an informal test during the first week back after half term. (It will be the same sheet)

Times table tests will continue to take place every Wednesday as normal.

May we take this opportunity to wish you all a relaxing half term break and to thank you for your continued support and positive comments.

Please return homework to school by: Wednesday 28th February
