

## St. Peter's Academy East Bridgford – Newsletter

Teachers: Mrs Cains / Mrs Gilbey	Subject: Geography	Date: 17/5/19
-------------------------------------	--------------------	---------------

### Task/Expectation:

Thank you for supporting your child with the recent homework task about pushing and pulling – they have done a great job with this.

Thank you also to those of you who have already completed and returned the two consent/medical forms for our forthcoming visit to Dukes Barn. It is really important that these are returned as soon as possible. Without these, we are unable to take your child away with us.

### Kit List:

There have been one or two queries about swimming costumes /trunks on the kit list in your information pack. We forgot to address this at the recent meeting – we will not be going swimming but the children will need swimwear to put on underneath their normal clothes when they take part in a wet activity (stream walking and canoeing) The reason for this is that when they return (soaked!) their clothes will be removed in the drying room and hung up to dry. The children will then need to walk from the drying room up to their bedrooms to shower. They will keep their swimwear on with a towel around them to do this for modesty!

We are beginning a new unit of work on mountains for Geography over the coming weeks. To kick start this topic, we would like the children to complete the word search on the attached sheet to find words associated with the topic. We would then like the children to choose at least four of the words they find and write a description of their meaning in full sentences on the back of the sheet.

Outdoor lacrosse sessions will continue as normal on Wednesday afternoons so children will require the appropriate kit and footwear for this. It was very hot this week and we have encouraged all children to bring a water bottle and sunhat now that the weather is improving

Thank you!

**Please return homework by: Friday 24th May 2019.**
