

St. Peter's Academy East Bridgford – Newsletter.

Teacher: Mrs Cains / Mrs Gilbey/Miss Bryan	Subject: R.E.	Date: 23/11/18
-------------------------------------------------------	----------------------	-----------------------

Task/Expectation:

Thank you for encouraging your child to learn the words to the songs for the winter bazaar. We have had a few short practices at school and most children seem to know most of the words off by heart. **The arrangements are for your child to meet us in the school hall next Friday a few minutes before we perform at 4.30pm.** We have spoken to the children about wearing a festive hat, headband or tinsel. As most children will not go home, school uniform is preferable. The children can then enjoy the bazaar with you afterwards. Our singing should approximately ten minutes.

We were lucky enough to be visited by Clemency Cooper, an archaeologist from Oxford University on Wednesday morning. She talked to the children about the exciting artefacts that had been found at the Barratt Homes site on Chapel Lane in Bingham whilst the foundations were being prepared. Clemency brought samples of pottery, jewellery and coins for the children to look at from when the Romans briefly settled in the area. The whole morning was very interesting and the children loved it. Photographs can be found on the class page of the school website.

In R.E. Miss Bryan has been talking to the children about festivals of light, including Christmas. The children have been looking at different pictures of light in school. For homework this week, we would like the children to think about what light means to them and produce a picture, painting or collage to represent this (or any other way they can think of)

Times table and spelling tests will continue to take place every Wednesday. Library books can be changed on any day and indoor P.E. remains on a Friday morning.

We look forward to seeing many of you at the winter bazaar next Friday!

Please return homework by: Friday 30th November 2018
