St. Peter's Academy East Bridgford - Newsletter.

Teacher: Mrs Cains / Mrs Gilbey/ Miss Bryan Date: 12/10/18

Task/Expectation:

We can't quite believe that it is almost half term, the time seems to have flown by and most of the children are now very settled in our class. We look forward to meeting you at our forthcoming parents' evenings in the final week of this half term (details soon to follow) when we can discuss with you how your child has adjusted to the transition from Key Stage 1 to 2.

You may be aware that Year 3 will be performing at our forthcoming Harvest service in St Peter's church on the morning of Friday 19th October. We will be singing a song about the colours of fruit and vegetables and hope that many of you will be able to attend the service.

In maths this week, the children have been mentally adding numbers together using the partitioning method (separating the tens and the ones) For homework this week, we would like the children to complete the tasks on the attached sheet. We would like all children to begin with set A and then work through to complete as many questions as they are able (set C bridges through one hundred)

Nearly all of the children are remembering to bring their yellow times table book to school for their test on Wednesdays – thank you for your support with this. We are also working on specific times tables in maths sessions, the target this half term is for all children to know the multiples of the three times table forwards and backwards with confidence.

Wednesday is also library day for our class. It would be really helpful if your child could remember their book on this day if they are ready to change it.

Thank you for your ongoing support and kind comments. We look forward to seeing you in church next Friday and also the following week at parents' evening.

Please return homework by: Friday 19th October 2018
