

East Bridgford St Peter's C of E Academy – Homework

Teacher: Mrs Cains/ Mrs Gilbey	Subject: Maths	Date: 14/9/18
---	-----------------------	----------------------

Task/ Expectation:

The children have worked really hard this week. We have been very impressed with how well they have settled into the routines of our class.

We enjoyed a visit from a theatre company on Thursday morning. The theme was all about energy and how we can save electricity by remembering to turn things off when we are not using them. It was a very energetic hour!

We have started work on place value and shape in maths as well as practising ways of learning times tables to support our weekly tests. In English we have looked at the story of the Creation which is also our RE topic. In History we have begun our work on the Romans and we have started our Science topic by looking at carnivores, omnivores and herbivores which is part of the healthy eating unit of study.

We have sent an information booklet home with your child today, outlining the curriculum this year for Lower Key Stage 2 (Years 3 and 4). Further information and copies of the weekly newsletter can also be found on the class 3 page of the school website. We will also add photographs on here as the year progresses.

Homework this week supports the place value work that we have been doing in class. We would like your child to complete the sheet attached to this letter.

May we remind you that times table tests take place every Wednesday morning. We were delighted that every child remembered their book this week!

Please make sure that your child has their indoor P.E. kit in school for fitness P.E. every Friday morning with Gordon Fearn.

Many thanks

To be returned by 21/9/18

- Thank you for helping your child with their work.
- Please let us know if for any reason they were not able to complete it.

- If you would like to make any comments on the homework or other aspects of your child's work please do this in their work diary or by letter, phone or personal contact. We will ensure you receive a response.
- Please remember that if you would like to know more or have greater concerns, we are always willing to discuss your child's work progress, attitude, behaviour, or circumstances with you. All we ask is that you make an appointment.
