

St. Peter's Academy East Bridgford – Newsletter.

**Teacher: Mrs Cains / Mrs
Gilbey**

**Subject: Shakespeare
Rocks!**

Date: 15/3/19

The children began the week with a fun packed day on Monday when they took part in a range of maths activities involving the whole school. The theme of the day was 'Jelly Bean Extravaganza'!

We are now rehearsing regularly for our forthcoming show – 'Shakespeare Rocks'. We hope that you are managing to source the appropriate costume for your child – please let us know if this is causing a problem. We would like the costumes in school from Monday 18th March in a named bag please.

Attached are the words to the songs from our show. The children know them pretty well but we would like the children to practise these over the next week so they are confident to perform them on stage. (Apologies in advance if this is going to be painful on your eardrums!!)

There will be no further times table and spelling tests until after the Easter holidays now. It would be helpful for your child to keep practising these over the Easter holidays to keep things ticking over. In addition to the individual times table that your child is practising, we have focused on the 3x, 4x and 8x tables as a whole class as well as revisiting 2x, 5x and 10x. Children in Year 3 are expected to have a thorough knowledge of these and be able to recall the answers with increased speed. Therefore, it would be really helpful if you could spend some time reinforcing these with your child over the next weeks.

We look forward to seeing you all at the forthcoming parents' evenings either next Monday 18th or Wednesday 20th March.

Thank you!

**Please return homework to school by: Monday 18th March onwards
(costumes)**
