Task/Expectation:

Thank you for supporting your child with recent homework tasks. We were very impressed with the Panini World Cup cover designs. There were so many different ideas! We have now scanned the entries and these have been emailed to the organisers. The children will be able to show their original designs in a future achievement assembly.

Most children are continuing to progress well with weekly times table tests. We spend time in school reinforcing all times tables in a variety of ways – chanting, playing games and dancing along to 'Super Movers' Thank you for supporting and encouraging your child to complete their timed sheets at home too.

In Geography, we have been finding out about the country of Russia which links nicely with the forthcoming 2018 World Cup beginning in June. **For homework this week, we would like the children to find out five interesting facts about Russia. This can be written as a list or presented more creatively in the form of a drawn or computer generated poster.** The children will be expected to share their facts with the rest of the class.

The new show and tell timetable is on display in the classroom and on our class page of the school website. Show and tell sessions remain on Wednesdays.

Lacrosse will continue to take place on Wednesday afternoons coached by Mr Aspinall. He has noticed how much the children have progressed over the terms.

Please could all children keep an outdoor P.E. kit in school all week during the Summer term as there will be occasions when we may have an extra session on the field.

We look forward to seeing many of you at our Dukes Barn information meeting on Wednesday 23rd May at 3.30pm. As mentioned previously, we will send all information out to any parents/carers who are unable to attend.

Please return homework by: Friday 18 th May 2018
