Task/Expectation:

Thank you for supporting your child with their recent homework. We appreciate that the children lead busy lives out of school and it is never a problem if your child has been unable to complete the task by the following week or that they need a few more days – just let us know.

We had a very enjoyable P.E. session with Leon Baptiste yesterday, he was very inspiring and a big well done and thank you to all children who managed to collect sponsors.

Our show and tell sessions are underway once again this term. We are always very impressed with the variety of ways that the children present their information. Our aim is to develop confidence when talking aloud to an audience, therefore we encourage each child to talk about any topic of interest to them. The children should know their show and tell day – we sent a copy of the timetable home last week and it can also be found on the class page of the website.

In English we have started to look at play scripts in closer detail, building on the children's existing knowledge. Our main focus is re-writing the narrative of a story into our very own play script. For homework this week we would like the children to design a front cover for their play script. The title '**Robin Hood and the Birthday Cake**' will need to be clearly shown on the front along with their own name as the author. The cover needs to be A4 in size and can be illustrated using paint, felt pens, crayons or collage. Each cover will be laminated at school so no bumpy 3D bits! The children have looked at various examples at school so have lots of ideas. **They have 2 weeks to complete this.**

Outdoor P.E. continues to take place on **Wednesdays** (weather permitting) for the next half term. We would be grateful if all children could have the correct, warm kit in school and a plastic bag to carry muddy footwear to and from the field. Thank you.

Times table and spelling tests will continue every Wednesday morning. Thank you for your support with this, it really makes a difference.

Thank you!

Please return homework by: Friday 8th February (2 weeks from now)
