| Teacher: Mrs Cains / Mrs Gilbey | Subject: Winter Bazaar | Date: 1/12/17 |
|---------------------------------|------------------------|---------------|

Thank you for supporting your child with learning the words to our songs for the Winter Bazaar. We are very proud of all the children as these songs are in addition to the Christmas carols and songs that will be sung at the Christmas carol concert on Tuesday 12th December, so they really have worked very hard!

Just another reminder of the arrangements: The Winter Bazaar takes place on **Thursday 7th December** after school. We are hoping that most children will be attending anyway with their parents/carers. The plan is that the children will be met after school as normal to enjoy the Bazaar with you but we would like them to meet us in the **school hall at 4.30pm** ready to sing a few songs. Children can bring a Santa hat or other festive headgear to wear during the performance. It should last no more than 15 minutes. Your child can then continue to enjoy the Bazaar with you afterwards.

For homework this week, we would like the children to complete the attached Christmas word search. If they are feeling particularly adventurous, they could then design one of their own using different Christmas/seasonal words for a friend to complete in school. This will be the last homework activity of the term. Times table teasing will take place for the final time for this term next Friday 8th December and will then resume on the first Friday back after the holiday (January 12th 2018)

Outdoor P.E. will continue to take place every Thursday throughout the year. We were very pleased to see so many children in warmer outdoor wear yesterday as the weather was particularly nippy!

We look forward to seeing many of you at the Bazaar and our Christmas concert on the 12th!

Please return homework school by: 8/12/17
