Task/Expectation:

Thank you for supporting your child with their recent homework task. We were very impressed with the range of ideas to produce a simple switch. The children have also enjoyed sharing their facts about Russia with the class – we have learnt a lot of new information!

You will be aware that we have been focussing on the forthcoming World Cup tournament beginning on June 14th in Russia. We see this as an excellent opportunity to broaden the children's knowledge of the world whilst adding some excitement and interest to the competition. We had a very exciting 'draw' on Wednesday when everyone was matched with a participating country to represent. Your child will be aware of their team and for homework this week we would like the children to complete the adjacent sheet. We will be using the information they find for our World Cup display with each shirt being concealed once they are knocked out. There will be small prizes for the semi-finalists, finalist and overall winner!

Lacrosse will continue to take place on Wednesday afternoons coached by Mr Aspinall.

Please could all children continue to keep an outdoor P.E. kit in school all week during the summer term. We had an extra P.E. session on Monday of this week as the weather was perfect for a sports day practice!

Thank you for attending our Dukes Barn information meeting on Wednesday. If you were unable to make it, you should have received the necessary information by now. We would appreciate it if you could return both medical forms to school as soon as possible.

Thank you so much for your continued support and kind comments, the weeks seem to be flying by as we approach the final half term of Year 3.

We hope you enjoy the half term break with your children and we look forward to seeing them back at school on Tuesday 5th June (INSET Monday 4th)

Please return homework by: Friday 8 th June 2018
