Homework for this week:

Topic – Tomorrow's World

In class this week, the children have been reviewing our school website. They have created surveys to be completed for their homework. These will need to be filled in by 3 people who do not attend/work at our school (parents, carers, relatives etc.) The children will be using this data to write a letter to Mr T, to recommend changes or explain useful areas of the school website.

Homework due – Friday 17th June.

The Greatest Show!

As I am sure you are aware by now, our UKS2 Production this year is 'The Greatest Show!' Children will be told their parts in due course, but for now we would really like them to get to grips with learning and practising the songs at home. I have put a link to a playlist of the songs on our class page, but these are also available on Youtube Music, Apple Music and Spotify, for the children to listen and sing along to. The lyrics are in their scripts 😊
