This Week:

Thank you for all your well wishes whilst I was off poorly, it feels great to be back with the children and into a routine – rather than being stuck at home like a Covid Zombie!

We've been continuing with our new Blood Heart topic this week and the children have:

- Investigated the components which make up blood.
- Examined different blood types and why they are important.
- Added and subtracted fractions which are mixed number and improper.
- Questioned 'What does the Bible think about God?' in RE.

Homework for this week:

All homework is via Classroom Secrets Kids this week:

- Maths – Try the Adding and Subtracting Fractions game first, to warm you up, then the Subtraction Fractions Challenge (Secret Agent Serena).
- Grammar and Punctuation – Revision covering verb forms, synonyms and antonyms, determiners, subject and object.
- Spellings are in diaries 😊

Homework due – Friday 28th January.
