Week in brief...

- ⌘ This week we have written an alternative character description of a dragon, based on the fantastic Image Theatre production of 'The Reluctant Dragon', which we viewed on Tuesday. Ask your child which ambitious adjective they chose for their dragon!
- ⌘ We received praise from both Mr Murphy and the Sports Coaches this week on our impeccable behaviour and attitude, which is always fantastic to hear.

Things to note...

- Parents' Evening – Mr Tomlinson sent a letter out to parents' on Thurs 7th Oct, detailing that all of our appointments would now be delivered remotely. The wonderful Mrs Gilmour has now emailed out the booking form to all parents. If you would like to book a slot, my days and times are:

Tuesday 19th October – 3:50-6pm

Thursday 21st October – 3-6:30pm

To access the booking form – [CLICK HERE](#).

- Additionally, at this time our Harvest Festival Celebration will be filmed for parents' to access, as parents' are unable to be invited into the church. When I have more information about this I will let you know how this will be distributed/communicated to you so you can see and hear our valiant Harvest effort!
- If your child is isolating due to Covid-19 and they are feeling well enough to do schoolwork, there is a grid of Maths, English and topic work to do on our class page ([click here to access](#)).

Homework for this week:

Spellings – Children will bring home a list of weekly spellings to learn every Friday, ready for testing the following week ☺ These spellings will be personal to your child.

Maths – Negative numbers: LO: Use negative numbers in context and calculate intervals.

English – Farming Around The World –

This week, I would like to create an information poster about an aspect of Farming Around The World. Pick one of the following...

- Focus on one particular country for your poster.
- Focus on one particular aspect of farming in your poster.
- Pick an area of farming and write about how it can look different in different countries.

A great place to start your research is by following this link to [Oddizzi](#) (Worldwide Farms). You have 2 weeks to complete your poster. Please present this in a 'Take Care' way ☺.

Homework due – Maths and Spellings - Friday 15th October 2021. English Poster – Friday 21st October
