**Week in brief...**

What a week we have had! It has been a bit topsy-turvy, but we have managed to pack some very fun and exciting things in!

- On Monday and Tuesday, we planned how we could create electrical circuits to send a coded message to each other, through using Morse code, like they did in WW2.
- On Thursday, we took part in a living museum in the Maddison Room, full of artefacts and information from both of the World Wars. This tied really nicely in with our topic and was a fantastic source of enrichment. See our Class Page for photos of us! We made great ARP Wardens, Pilots and Soldiers ☺.

**Homework for this week:**

Spellings – Children will bring home a list of weekly spellings to learn every Friday, ready for testing the following week ☺ These spellings will be personal to your child.

Maths – LO: Solve problems including  $+$   $\div$   $-$  and  $\times$ .

English – Synonym Matching Activity (Classroom Secrets Kids) – LO: Expand our vocabulary by matching the sophisticated synonyms.

**Homework due – Friday 19<sup>th</sup> October 2021.**
