Good afternoon,

I hope everyone has had a good week.

As you will see on our school newsletter we have a class trip coming up on Friday 10<sup>th</sup> June. We are spending the day at Nottingham tennis centre. I am also trying to arrange another day trip for Year 3 and 4, but currently awaiting confirmation. The date I have in mind is Tuesday the 12<sup>th</sup> June. I will keep everyone posted as soon as I hear back.

### **Curriculum:**

This week we have been learning about the Ancient Egyptians and had a fun afternoon deciphering hieroglyphic writing and then writing our own names in hieroglyphics. We have made electrical circuits and tested materials to see if they conduct electricity.

**English:** We are now writing up our stories from another culture and we have focused on the introduction and the build-up. Next week's focus will be the conflict/climax and the resolution.

**Maths:** We are still working through our unit on decimals and are now learning about hundredths. The class are still grasping this concept very well, but one or two struggled with converting hundredths into tenths and combining them both before turning it into a decimal. We will go over this again next week.

We will be sitting the Government Multiplication Check between 6<sup>th</sup> June -24<sup>th</sup> June. This will be done in small groups. My aim is to do the majority the week beginning 13<sup>th</sup>. Please keep practicing. Times table grids will be sent home on Monday - enjoy the weekend.

*PE will be indoors on MONDAY and outdoors on WEDNESDAY. Please send appropriate kit, shorts/leggings and a tee-shirt for indoor and separate warm clothes for outdoors (hat and gloves on very cold days).*

### **HOMEWORK:**

I would like the children to be creative and make something of their own choice related the Ancient Egyptians. We have discussed ideas but I am leaving the final piece up to each child. Suggestions are: A Tutankhamen mask, A sarcophagus and mummy, the pyramids or a hieroglyphics scroll. The children can use which ever medium they like; paint, model, fabrics, materials, paper, clay etc....

**I am giving the children three weeks to complete this, so it does not need to be returned before 7<sup>th</sup> June.**

Times tables using purple mash and spellings once a week. Read three times a week (**to be recorded in work diary**)

Other work to be completed in their homework book.

Thank you.

**Mrs. Archer Dytch**

**To be returned by: 7.6.22**
