

## East Bridgford, St. Peter's C of E Academy – Homework

<b>Teacher: Mrs Archer Dytch</b>	<b>Subject English</b>	<b>Date: 14.1.22</b>
----------------------------------	------------------------	----------------------

Good afternoon

I can't believe we are at the end of another week already. This week has been jam packed with fun activities, including lots of science investigations, which we love! We started the week with a trip to the park to learn about which force we used to make the playground equipment work. The children couldn't believe playing on the equipment was a real lesson, but they learnt lots.

### **Curriculum:**

We continued to explore playground equipment during English and had to design new equipment before writing a report about how it worked. We also wrote a non-chronological report about how a game worked.

In maths we now know how to multiply by 10, 100, 0 and 1. We can also divide by 10, 100, 0 and by itself.

Science has included doing two fantastic investigations. We found out the best fabric to wear to go down the slide really fast and we found out how levers work by using a Newton metre to measure force. Each time we discussed how to make the test fair and thought about which variables to change. **NEXT WEEK WE WILL BE MAKING CARTS. PLEASE CAN YOU BRING A SMALL BOX/PACKET TO SCHOOL FOR THURSDAY** (no bigger than 15cm by 10cm).

***PE** will be indoors on **MONDAY** and outdoors on **WEDNESDAY**. Please send appropriate kit, shorts/leggings and a tee-shirt for indoor and separate warm clothes for outdoors (hat and gloves on very cold days).*

### **HOMEWORK:**

As we are writing non-chronological reports, I would like the children to write a report about how their favourite game/toy works. They must include who it is suitable for, how many people can play it, how it works or what are the rules and the qualities that make it so good.

Times tables using purple mash and spellings once a week. Read three times a week (**to be recorded in work diary**)

Other work to be completed in their homework book.

Thank you.

**Mrs. Archer Dytch**
