

## East Bridgford, St. Peter's C of E Academy – Homework

<b>Teacher: Mrs Archer Dytch</b>	<b>Subject Maths</b>	<b>Date: 19. 11.21</b>
----------------------------------	----------------------	------------------------

Good afternoon, and happy Children in Need day!

So we are nearly at the end of the week again and I can't believe how quickly the weeks are going. We are really enjoying our history topic and have learned about the founding of ancient Rome, ruling Rome and expansion of the Roman empire. On Monday we shall have our living museum set up and we shall be looking at real Roman artefacts.

Curriculum:

During English we finished our biographies and completed the unit by editing and using dictionaries to check our spelling. Next week we will be developing letter writing skills.

In maths we have been subtracting 3 and 4 digit numbers with exchange. In RE we are still answering the question 'What kind of world would Jesus want?' The children have thought of some lovely ideas, for example - peace, a world without war, a planet without pollution, no animal hunting, love and respect and end to global warming are just a few.

### **HOMEWORK:**

This week's homework is to consolidate our maths. I have sent home a worksheet with 4 - digit subtraction with exchange. The worksheet has three differentiated pages. Please start on the first one and work through. Don't worry if your child can not do all three they do get hard.

Please either write in your Homework book or stick the typed version in your book. Homework is marked as a whole class on Friday, so please try and send it in on time.

Thank you.

**Mrs. Archer Dytch**
