

East Bridgford, St. Peter's C of E Academy – Homework

Teacher: Mrs Archer Dytch	Subject: Time and Times tables	Date: 23.5.25
----------------------------------	---------------------------------------	----------------------

Good afternoon,

I hope everyone has had a good week. I can't believe how quickly the last half term has gone. It has been a very short one, but we still seem to have done so much!

Curriculum:

This week we have had great fun taking part in our Easter workshop at the church (The Pentecost) and celebrating National Numeracy Day by spending the afternoon solving numeracy puzzles, working through many problems and reasoning activities.

English: This week we completed our Hotwrite, relating to our finding tale 'The Magic Paintbrush'. Our focus was openings and endings and I'm looking forward to reading them over the half term break.

Maths: We are working through our unit on Time. Thank you to everyone who has supported their child/children by consolidating tell the time. In lessons we have been converting analogue times to the digital 24 hour clock.

HOMEWORK:

During our second week back after half term, the Year 4 children will sit the Multiplication test, so homework for the next couple of weeks is to practise, practise, practise!!!

Year 3 children can either practise their tables or practise tell the time, using the 12 hour and the 24 hour clock and consolidating telling the time to the minute.

Times tables using purple mash and spellings once a week. Read three times a week (to be recorded in work diary)

Thank you.

Mrs. Archer Dytch
