

East Bridgford, St. Peter's C of E Academy – Homework

Teacher: Mrs Archer Dytch	Subject Easter Egg Competition	Date: 24.3.23
----------------------------------	---------------------------------------	----------------------

Good afternoon,

It's been a long, but enjoyable week. It was great to see everyone at parent's evening and share the amazing learning and progress the children have made.

As you may know we have 10 staff off school having tested positive for Covid. I am doing everything I can to keep it out of our class; windows are open and the children are either washing their hands or using hand gel on entering the classroom. Hopefully we can keep it out and all enjoy the Easter holiday - one week to go!

PE: We will continue to have outdoor PE on WEDNESDAY. **Indoor PE will be on Monday.** Please send appropriate kit for both indoor and outdoor PE.

Curriculum:

In English we have finished our diary writing 'Hot Write'. We have purple polished (edited) and read them out loud. We are now copying a couple of chapters out in neat for handwriting practice.

We have finished our science topic, everyone scored extremely high in the end of topic assessment - I was very proud! DT has challenged the children to make cam mechanisms and although not all of them worked, the learning and fun had making them, was enjoyed by all. For those that didn't work, it was important to reflect and evaluate.

Year 4 have finished Length and measure and will start fractions after Easter. Year 3 are still working on perimeter.

HOMEWORK:

Most of the children tell me they are entering the Easter Egg competition, so for this reason I am not setting any homework. Many have also entered the Periodic Table competition set during Science week, so I think the children will be too busy for anything else. I handed out times table sheets and new spelling during parents evening, so lots to do!

Thank you.

Mrs. Archer Dytch

To be returned by: Periodic Table comp, next Thursday/Easter Egg comp, Friday
