

East Bridgford, St. Peter's C of E Academy – Homework

Teacher: Mrs Archer Dytch	Subject: Maths	Date: 24.6 22
----------------------------------	-----------------------	----------------------

Good afternoon,

I hope everyone has enjoyed the sunshine this week. Let's hope it stays nice for the Village show. If you are going, please take time to look at the St. Peter's stand and the Year 4 board. I'm sure you'll be very impressed with what you see.

Curriculum:

This week we have studied the artist J.Vincent. Scarpace and have enjoyed drawing and painting in the style of his work. He is an American artist whose main focus for his pieces are around sea creatures. His work focuses on circular organ shapes to create a sense of flow. We have also studied the different levels of the ocean and looked at the different habitats in each level.

English: We have finished writing our stories, reading them to a partner and using the checklist to make sure we have all the elements to build tension and suspense. We shall write them up in our best handwriting next week.

Maths: In maths we have started a new unit on time. After a small assessment quiz it has become very apparent that some children are unsure how to tell the time on an analogue clock. This may be due to lockdown or because many of us only have digital clocks in the house. Our first lesson was telling the time to 5 minutes. Next week we shall tell the time to the minute. Please can you spend the weekend looking at clocks and watches and supporting their learning. Thank you.

PE will be indoors on MONDAY and outdoors on WEDNESDAY. Please send appropriate kit, shorts/leggings and a tee-shirt for indoor and separate warm clothes for outdoors (hat and gloves on very cold days).

HOMEWORK:

Time! I have sent home worksheets with the children.

Some children will need more support than others with this week's homework.

Other work to be completed in their homework book.

Thank you.

Mrs. Archer Dytch
