Good afternoon,

Once more we have had a busy week. Reverend Ruth came into school and pronounced the winner of the Easter card competition (we made these in school this year) and although she said everyone had done an excellent job, Ryan Fern's was the overall winner. His card has been made into 'real' cards and will be delivered to every house in East Bridgford and the surrounding villages. WELL DONE RYAN!

Curriculum:

We have one more week after this learning about Rivers and Mountains. This week we have focused on mountains and we have researched mountains in the UK and mountain ranges all over the world. We are using our knowledge to write leaflets in English next week.

This week in English we have looked at settings. We have developed our writing skills using powerful adjectives which have helped us create atmosphere and mood. We have described the Himalayas and our journey up Everest to produce some excellent pieces of work.

In Maths we have finished our unit on area - Everyone did so well on the end of unit assessment. We are now looking at Fractions. This week we have looked at equivalent fractions and to consolidate learning I would like the children to work through the maths sheets I have sent home. They start easy and progressively get harder. I would like the children to do as much as they can. Not all children will complete all the sheets.

PE will be indoors on MONDAY and outdoors on WEDNESDAY. Please send appropriate kit, shorts/leggings and a tee-shirt for indoor and separate warm clothes for outdoors (hat and gloves on very cold days).

HOMEWORK:

Classroom Secretes **Equivalent Fractions worksheet**.

Times tables using purple mash and spellings once a week. Read three times a week (**to be recorded in work diary**)

Other work to be completed in their homework book.

Thank you.

Mrs. Archer Dytch
