

East Bridgford, St. Peter's C of E Academy – Homework

Teacher: Mrs Archer Dytch	Subject: Maths	Date: 1.7. 22
----------------------------------	-----------------------	----------------------

Good afternoon,

We've had another busy week finishing off our stories, singing and practising for sports day, following the cancellation on Wednesday. Hopefully we will be even faster on the rescheduled date of Friday 15th July.

We have had the results back for our times table test. Mr. Tomlison and myself are incredibly proud of everyone. You can ask your child for their score out of 25. We are not sure how they compare nationally yet, but we know, as a class, we have scored very high.

Curriculum:

Following on from last week, we have researched and learned how sea creatures have adapted to their habitats. We have used search engines in IT and made posters of our findings. In RE we are learning about sacred places of worship and we learned about Buddhist Temples; we found out they all look very different but all very beautiful. We watched a story about the founder of Buddhism, Gautama Buddha, and we compared Buddhism to Christianity.

English: This week we have copied our stories out in neat and illustrating them. I'm hoping to send them home at the end of term.

Maths: I made the decision to leave 'Time' until next week, giving the class a little longer to practise telling the time and completing the homework. Instead we looked at Statistics, and used block graphs and line graphs to analyse data.

Next week, we are going back to time.

Thank you.

PE will be outdoors on both MONDAY and WEDNESDAY as the hall is being used for the Yr 6 production. Please send appropriate kit, shorts/leggings and a tee-shirt for indoor and separate warm clothes for outdoors (hat and gloves on very cold days).

HOMEWORK:

Maths:

I have sent the children home with a sheet to help embed their work on Line graphs.

Other work to be completed in their homework book.

Thank you.

Mrs. Archer Dytch
