Good afternoon,

What a busy week we have had. We had a fantastic time on Tuesday afternoon when The Image Theatre Company performed The Reluctant Dragon. Harleigh, Aidan and Isla were picked from the audience and were asked to join in with the cast. They did a fabulous job and did our class proud. Mr. Tomlinson has also commented to me on how quiet and well behaved Class 4 are when they walk around school and whenever he pops into the class. It makes me really proud when other members of staff praise the class. I hope you are too!

Curriculum:

In English we have worked really hard and written our own Haiku poems about birds of prey. We then wrote them out in neat, using handwriting pens, ready to go on our Predator display. We have continued to work through our unit on Numbers and Place value during Maths. In topic we have learned all about food chains for specific animals and we have created collage picture in art, that show the Producer to the Apex Predator. In topic we have also looked at the land from a bird's-eye view and used this knowledge and understanding to help us draw maps with 4 point references. In IT we have continued to develop our coding skills.

HOMEWORK:

Next week we are going to do a special piece of writing on The Reluctant Dragon, so for homework, I would like the children to retell the story in their own words, detail. They can retell the story to a family member for Monday and if they wish, they can write the story down for Friday. It is their/ your choice.

Please either write in your Homework book or stick the typed version in your book. Homework is marked as a whole class on Friday, so please try and send it in on time.

Thank you.

Mrs. Archer Dytch
