

East Bridgford, St. Peter's C of E Academy – Homework

Teacher: Mrs Archer Dytch	Subject: Times tables	Date: 9.5.25
----------------------------------	------------------------------	---------------------

Good afternoon,

I hope you enjoyed the bank holiday and have enjoyed the shorter working week.

Curriculum:

This week we have had great fun learning about the life cycle of flowering plants, the structures and materials used to build a greenhouse - we shall make our own miniature greenhouse later in the term. We have learned about simulation through IT. Our weekly yoga class is very relaxing and is helping us to stretch our muscles in a calm and controlled way. We are focusing on athletics in outdoor PE, this week we have coached each other to become stronger jumpers. In music we focussed on solos, and it was lovely to hear so many children have a go. In Spanish we are learning meetings and greetings. In 1 Decision we have learned about the many hazards in the kitchen and the play park.

English: We have been looking at the features of a 'Finding Tale'. Our focus has been looking at different ways to start a story. Thinking about the place, time, weather or character, following the T4W format.

Maths: We finished our topic on measure, and we can now measure in litres and millilitres, grams and kilograms. We have started our new unit on adding and subtraction fractions. This topic will continue next week.

HOMEWORK:

As we are getting close to taking the Yr 4 Multiplication test, I would like all the children in Yr 4 to go onto Purple Mash and complete the **Multiplication Assessment**. I have set it as a 2do and the children will be able to submit the first test they do to me. Yr 3 are very welcome to join in but should not be disappointed if they do not score full marks - it is very quick! Alternatively go on to the customized one and continue as usual.

Times tables using purple mash and spellings once a week. Read three times a week (**to be recorded in work diary**)

Thank you.

Mrs. Archer Dytch
