

East Bridgford, St. Peter's C of E Academy – Homework

Teachers: Mrs Archer Dytch	Subject: Geography	Date: 11.10.24
-----------------------------------	---------------------------	-----------------------

Good afternoon,

Thank you for encouraging your children to produce such 'Take Care' wonderful homework. The healthy meals were a huge success and we loved showing them to the rest of the school in achievement assembly. Mr Tomlinson even paid us a special visit to see them more closely. Soon they will be displayed in school for all to see!

The week after next week we are looking forward to our Harvest Festival in church and we can't wait to sing our songs to you. As you can imagine we have been practising lots. Don't worry if you can't make it, each Year group has learned their song so well I'm sure they will sing it to you if you ask.

Curriculum:

We have been working hard in English. We have finished developing our stories and improving the story of Little Red Riding Hood. We feel we have added so much more detail than the original story and we have completely changed the setting. We are now learning to write reports, studying the newspaper text 'Woodcutter Saves the Day'.

Next week we shall finish our unit on Place Value and move on to Addition and Subtraction. In History we are learning all about Skara Brae and Stonehenge. In Geography we have been using 4-digit grid references (see homework) and in RE we are listening to songs to see how Christians share their worship through the medium of music. This links into learning our Harvest songs too.

HOMEWORK:

I have sent home a map with a 4-digit grid reference. The children must use the map to crack the code. If you wish to extend this activity, the children could make up their own map and set a code for others to crack!

It is also great to see so many work diaries have been signed to say reading, spellings and times tables have been practised.

Unless otherwise stated all homework must be handed in the following Friday.

Thank you.

Mrs. Archer Dytch,
